

♠ WARNING

- •Confirm compatibility of Grinder and Blade before use.
- •Read the instruction manual for the SPARK BUSTER, the Grinder, and the Blade before use.
- •Be sure to wear protective goggles, dust mask, protective footwear, earplugs and other protective equipment when working.
- •Ensure the SPARK BUSTER is securely mounted onto the Grinder.
- •Confirm the Blade does not rub on the inside of the SPARK BUSTER.
- •Keep SPARK BUSTER away from gasoline, thinners, petroleum and paraffin.
- •Do not use SPARK BUSTER when it is damaged, cracked or bent as this could lead to injury.
- •Do NOT fit a Blade that exceeds the capacity of the Grinder.
- •The maximum speed of the blade must be higher than that of the Grinder.
