

NK-125MA

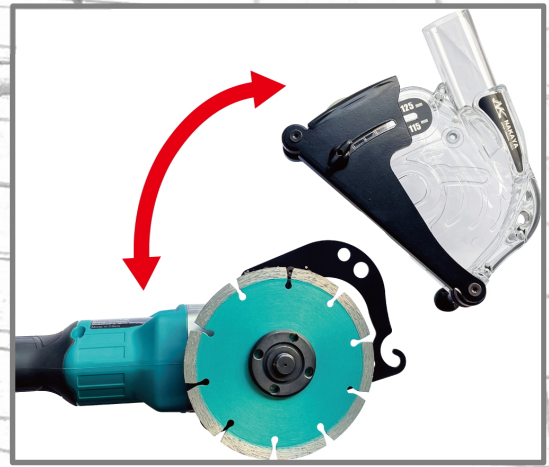

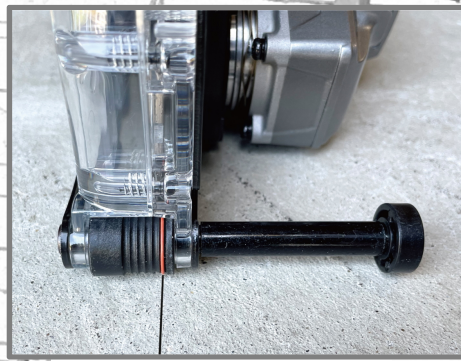

Dust Extraction System for 100-125mm Diamond Blade

NEW

Angle grinder and Diamond Blade are NOT included.

Multi Adaptor PAT.P.
Enables to be fitted onto a wide range of 115 - 125mm angle grinders.

Smart Roller System
The 5 rollers cancel any frictions against the work surface. Position-adjustable cutting line guide is equipped on the front.

EASY Blade Change PAT.
The blade can be changed with EASY operation without detaching the angle grinder nor the dust shroud attachment.
